

PRODUCT GUIDANCE SHEET

CLEAN & SHINE

OVERVIEW:

Silicone based multi-purpose cleaner and dressing. Spray on and wipe off to remove dust and dirt and leave a high-gloss water-repellent finish. Pleasant blueberry fragrance.

APPLICATIONS:

For cleaning and polishing furniture, dashboards and interior plastic trim. Can also be used to dress engine-bay plastics. Not suitable for use on rubber mats or plastic flooring as they may become slippery.

DIRECTIONS FOR USE:

Spray or wipe onto surface. For heavy soils agitate the solution over the surface. Buff to a shine using a clean, dry cloth.

HEALTH & SAFETY:

In compliance with EC regulation No. 1272/2008 and its amendments, this mixture does not present a physical hazard.

See MSDS for further information.
