

PRODUCT GUIDANCE SHEET

GLASS & MIRROR 2

OVERVIEW:

A quick drying and smear free spray and wipe cleaner designed for use on virtually all glass, ceramic and clear plastic surfaces. Will remove dirt, grease, grime, soap deposits and bird droppings. Non-abrasive with a great pear and apple fragrance.

APPLICATIONS:

Safe for use on glass, mirrors, polycarbonate and flexible plastics such as cabriolet roof window panels. Can be used on vehicle glass, household windows, conservatories, caravan and motorhome windows, shower screens, ceramic tiles and even solar panels.

DIRECTIONS FOR USE:

Spray on and wipe off using a clean, dry cloth or paper towel, buff to a high shine.

HEALTH & SAFETY:

In compliance with EC regulation no. 1272/2008 and its amendments, this mixture does not present a physical hazard.

See MSDS for further information.
