

PRODUCT GUIDANCE SHEET

TYRE SHINE

OVERVIEW:

Tyre Shine is a silicone-free, high gloss, easy on plastic and rubber dressing.

APPLICATIONS:

For dressing interior and exterior plastics, engine bay plastics, rubber mats, mud flaps and tyres.

DIRECTIONS FOR USE:

For best results apply using a brush or sponge. Allow to dry completely before driving to prevent the dressing from being thrown from the tyres onto the vehicle bodywork.

HEALTH & SAFETY:

NOTE: COSHH assessments should be performed in line with current legislation to determine the required precautions.

DANGER

Flammable liquid and vapour.

May cause drowsiness or dizziness.

Keep container tightly closed. Take precautionary measures against static discharge. Use only outdoors or in a well-ventilated area.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

See MSDS for further information.
