PRODUCT GUIDANCE SHEET

NEW CAR POLISH

OVERVIEW:
Premium quality polymer wax polish for use on new cars and cars with good paintwork. Non-abrasive easy-on, easy-off formulation designed to give a long-lasting, high gloss showroom finish.

APPLICATIONS:
Suitable for polishing all types and colour of painted and unpainted metal, GRP, gelcoat, and painted plastic surfaces.

DIRECTIONS FOR USE:
Thoroughly wash the vehicle prior to application, it is not necessary to completely dry the vehicle prior to polish application but this may affect the drying time of the polish. It is also recommended to perform the polishing out of direct sunlight and to ensure the surface is cool.

Shake the bottle well before use.

Apply to an area roughly 60 x 60cm (2 x 2 feet) using a clean, soft cloth or polish applicator sponge in small circular motions and allow to dry to a haze. Buff off with a clean, dry microfibre cloth for best results.

HEALTH & SAFETY:
NOTE: COSHH assessments should be performed in line with current legislation to determine the required precautions.

WARNING
Harmful to aquatic life with long lasting effects.
Keep out of reach of children.
See MSDS for further information.
