## PRODUCT GUIDANCE SHEET

### INTERIOR CLEANER

#### OVERVIEW:

Interior Cleaner is an extremely effective and versatile multi-surface cleaner which can be used with a range of equipment and cleaning methodology.

#### APPLICATIONS:

Interior Cleaner can be used on hard surfaces including stainless steel, painted metals, fibreglass, plastics, vinyl, rubber, and also on fabrics such as vehicle upholstery, headlining and carpets. Also works well for Black-Streak removal from caravans and motorhomes.

#### DIRECTIONS FOR USE:

Interior Cleaner can be used for wipe or spray-on and wipe-off cleaning of furniture, dashboards, engine bays, interior and exterior plastics and headlinings. Can also be used for the cleaning and degreasing of machinery and parts

Multi-Gleam can also be used to clean upholstery and carpets, just apply via a spray or cloth and work into the surface using a cloth or soft brush, rinse or wipe with clean water several times, allow to dry then vacuum the surface. Very useful for treatment of heavy stains in vehicle interiors.

#### HEALTH & SAFETY:

In compliance with EC regulation no. 1272/2008 and its amendments, this mixture does not present a physical hazard.

**See MSDS for further information.**
