

PRODUCT GUIDANCE SHEET

LOGLIFE CAR POLISH

OVERVIEW:

An extremely durable non-abrasive polymer wax polish and sealant that, removes minor scratches, swirls, water marks and imperfections and leaves a high gloss, extremely long-lasting protective finish.

APPLICATIONS:

Suitable for polishing all types and colour of paint on metal, fibreglass and plastic painted surfaces.

DIRECTIONS FOR USE:

Thoroughly wash the vehicle prior to application, it is not necessary to completely dry the vehicle prior to polish application but this may affect the drying time of the polish. It is also recommended to perform the polishing out of direct sunlight and to ensure the surface is cool.

Shake the bottle well before use.

Apply to an area roughly 60 x 60cm (2 x 2 feet) using a clean, soft cloth or polish applicator sponge in small circular motions and allow to dry to a haze. Buff off with a clean, dry microfibre cloth for best results.

HEALTH & SAFETY:

NOTE: COSHH assessments should be performed in line with current legislation to determine the required precautions.

Pictogram(s):

DANGER

Flammable liquid and vapour.
May be fatal if swallowed and enters airways.
Causes serious eye irritation.
