

## PRODUCT GUIDANCE SHEET

### HEAVY DUTY TAR & GLUE REMOVER

#### OVERVIEW:

A fast acting solvent based tar and adhesive remover which contains emulsifiers for easy rinsing with water. Removes tar, adhesives and hydrocarbon wax and is also effective on grease & oil.

#### APPLICATIONS:

Formulated for use on a wide variety of hard surfaces including vehicle bodywork, glass, painted surfaces, most metals, plastics, concrete and tooling. This is also an excellent engine degreaser and can even be used to pre-spot when cleaning some carpets.

#### DIRECTIONS FOR USE:

Use as supplied. Apply by spray or cloth and agitate, allow to soften for a few minutes then wipe off with a clean cloth or rinse off with water.

It is recommended to test a small area first for compatibility.

**Important: Do not spray onto hot surfaces**

#### HEALTH & SAFETY:

NOTE: COSHH assessments should be performed in line with current legislation to determine the required precautions.

#### DANGER
