PRODUCT GUIDANCE SHEET

MULTI-PURPOSE WATERPROOFER

OVERVIEW:

Textile, carpet and upholstery treatment formulated to impart a water-repellent finish to most fabrics.

APPLICATIONS:

Can be used to give a lasting water-repellent finish to most fabrics including vehicle and furniture upholstery, carpets, awnings, tents, garden furniture, etc.

DIRECTIONS FOR USE:

Shake well before use.

Apply evenly over the surface using a pump sprayer or trigger spray.

Allow to dry completely.

For fabrics that are exposed to water frequently, e.g. Awnings and Tents a second application is recommended to give maximum protection.

HEALTH & SAFETY:

In compliance with EC regulation No. 1272/2008 and its amendments, this mixture does not present a physical hazard.

See MSDS for further information.
